

LIL WAYNE!

PULLED TRIGGER

ON SELF!

should be a wake-up-call
serving as a deterrent . . .

The interviewer asked.

You actually pulled the trigger?

Yea, I pulled the trigger!

I aimed at my heart ...

*What would you say kept you
alive that day, in that moment?*

God! Plain and simple!

In his own words!

*“How I knew I had **mental problem** was, I pulled the trigger!” OK...now that you know you have a **divine helper** in God, **what’s next?** Back to **same old...?***

*(If yes!) **That’s proof it wasn’t a mental problem!** But simply an **invasion of the unknown** - they who paid your piper showing up to **dictate your tune!***

He who made us should dictate our lives! Period!

*Jesus Christ stopped all dictators from harassing anybody with suicidal thoughts! **BUT it takes repentance!** Making Jesus **LORD !!!***
